

# Data Center Administration

## Academic Planning Guide

### Data Center Administration Associate of Science Degree

This degree prepares students to work in mission critical Data Centers. Students will learn to monitor and maintain the Data Center ecosystem to ensure high availability. Students will

focus on operations including data center design, preventative maintenance, data protection, inventory tracking, and documentation.

#### First Semester

|          |                               |   |
|----------|-------------------------------|---|
| ITEC1080 | Microsoft Productivity Apps 1 | 3 |
| ITEC1102 | PC Operating Systems          | 3 |
| ITEC1145 | Data Center 1                 | 4 |
| COMM1260 | Small Group Communication     | 3 |

**Total Credits 13**

#### Second Semester

|          |                     |   |
|----------|---------------------|---|
| ITEC1105 | Network Admin 1     | 4 |
| ITEC1110 | Windows Admin 1     | 3 |
| ITEC1155 | Data Center 2       | 3 |
| ITEC2675 | A+ Hardware Support | 3 |
| ENL1070  | Technical Writing   | 3 |

**Total Credits 16**

#### Third Semester

|                                                      |                               |   |
|------------------------------------------------------|-------------------------------|---|
| ITEC1090                                             | Microsoft Productivity Apps 2 | 3 |
| ITEC1421                                             | Network Admin 2               | 4 |
| ITEC2150                                             | Windows Admin 2               | 4 |
| Choose three credits from MnTC Goal Areas 3, 4, or 5 |                               | 3 |

**Total Credits 14**

#### Fourth Semester

|                             |                 |   |
|-----------------------------|-----------------|---|
| ITEC1200                    | Cloud Admin 1   | 3 |
| ITEC1260                    | Cyber Defense 1 | 4 |
| ITEC2145                    | Data Center 3   | 4 |
| General Education Electives |                 | 6 |

**Total Credits 17**

**Total Credits 60**

# Plan Your Path to Stay on Track

Success doesn't happen by accident—it starts with a plan! Whether you're working toward a diploma, certificate, or degree, understanding which courses to take and when to take them can save you time, money, and stress.

By staying organized and proactive, you'll move forward with confidence, avoid last-minute surprises, and stay on track for graduation. One of the best tools to help you map out your path is your Degree Audit Report (DARS).

## Your Personal Academic Checklist

DARS takes the guesswork out of course planning. It gives you a clear snapshot of your progress and shows which classes are still required for your program.

## Why Check DARS?

Planning your class schedule is much easier when you know what is left to take! Checking your DARS report can help you:

- ✓ Avoid registering for the wrong courses
- ✓ Make steady progress toward your degree or diploma
- ✓ Stay on track for graduation and avoid surprises

## How to Access Your DARS Audit

Checking your DARS only takes a few clicks!

- 1 Log into eServices with your StarID and password
- 2 Go to the Academic Records section
- 3 Click on Degree Audit Report (DARS)
- 4 Review your audit to see what is complete and what is still required

| Student e-services     | Academic Records                       |
|------------------------|----------------------------------------|
| Dashboard              |                                        |
| Home                   | <a href="#">Degree Audit</a>           |
| Account Management     | <a href="#">Unofficial Transcripts</a> |
| Courses & Registration | <a href="#">Check Grades</a>           |
| Academic Records       |                                        |

## Plan Ahead for Success

It is smart to review your DARS every semester—especially before registration opens. If you are not sure which classes to take next, your DARS is a great place to start. You can also bring it to your academic advising appointment to build a plan that fits your goals and schedule.

## Your degree. Your plan. Your future.

DARS helps you take the right steps, at the right time. Check your DARS often so you can register with confidence and graduate on time!
