## Election of Chair and Vice-Chair

Per the [Student Life Board Bylaws](#), "All meetings must have quorum in order to conduct business. A minimum of six (6) students and one (1) staff member is required for quorum." Since only four student members were present, the election of chair and vice chair will be tabled to the next meeting.

## Budget Finalization

FYE is higher than anticipated so that results in an additional \$95,000 in the Student Life budget.

## Commencement Request

Stephen presented information on commencement and the rising costs of holding the event. \$30,000 was already set aside for commencement but it will not cover everything. He would like an additional \$15,000 to cover costs for the rental of the Minneapolis Convention Center and the live-stream of commencement. He will bring his funding request to the next meeting.
